Programação

8:00 – 8:30 – Welcome coffee

8:30 – 8:40 – Opening and Objectives – Coordinators

8:40 – 8:55 – Controversies in Screening: PSA and Beyond
Dr. Tiago Aparecido Silva – Urologista | SP

8:55 – 9:10 – Advances in Multiparametric MRI Imaging and PET-CT Applications
Dr. Felipe Galiza – Coordenador Médico | UnitedHealth Group – SP

9:10 – 9:25 – Clinical Applications of Germline Testing and Polygenic Risk Scores inn Prostate Cancer

Atish D. Choudhury, MD, PhD – Medical oncologist and clinical/translational investigator for Genitourinary Oncology at Dana-Farber Cancer Institute

9:25 – 9:40 – Surgical Approaches for Localized Prostate Cancer: Robotic vs. Open? Limited vs. Extended Lymphadenectomy

Dr. Renato Panhoca – Urologista | SP

9:40 – 10:00 – Panel Discussion – The entire team

10:00 – 10:15 – Current Status and Perspectives for Neoadjuvant Systemic Therapy in High Risk Prostate Cancer

Atish D. Choudhury, MD, PhD – Medical oncologist and clinical/translational investigator for Genitourinary Oncology at Dana-Farber Cancer Institute

10:15 – 10:30 – Advances in Salvage Radiotherapy: Dose and Schedule, Field and Limits

Dr. Paulo Lazaro – Radio-Oncologista | SP

10:30 – 10:45 – Coffee break

10:45 – 11:15 – Case Discussion 1 – High Risk Localized Prostate Cancer

Dra. Ingrid Marriel – Oncologista Clínica | Hospital do Câncer de Barretos – SP e Fellow de Oncologia Geniturinária | Instituto Oncoclínicas – RJ

Discussant

Atish D. Choudhury, MD, PhD – Medical oncologist and clinical/translational investigator for Genitourinary Oncology at Dana-Farber Cancer Institute

Ravi Amrit Madan, MD – Head, Prostate Cancer Clinical Research Section and Genitourinary Malignancies Branch at National Cancer Institute (NCI)

Dr. Renato Panhoca – Urologista | SP

Dra. Mariane Fontes – Oncologista Clínica | Oncoclínicas – RJ

Dr. Paulo Lazaro – Radio-Oncologista | SP

11:15 – 11:30 – Surgical Options for Recurrent Prostate Cancer

Dr. Jorge Wilson – Doutor em Urologia pela UNIFESP/EPM e Coordenador da Residência em Urologia | Hospital Edmundo Vasconcelos – SP

11:30 – 11:45 – Systemic Approach for non-metastatic recurrent prostate cancer

Dra. Mariane Fontes – Oncologista Clínica | Oncoclínicas – RJ

11:45 – 12:00 – Management and goals for Prostate Cancer Survivors

Dra. Pamela Muniz – Oncologista Clínica | Hospital Edmundo Vasconcelos e Oncoclínicas – SP

12:00 – 12:30 – Case Discussion 2 – Biochemical Recurrence of Prostate Cancer

Dr. Rafael Abduch – Oncologista Clínico | Oncoclínicas – SP

Discussant

Atish D. Choudhury, MD, PhD – Medical oncologist and clinical/translational investigator for Genitourinary Oncology at Dana-Farber Cancer Institute

Ravi Amrit Madan, MD – Head, Prostate Cancer Clinical Research Section and Genitourinary Malignancies Branch at National Cancer Institute (NCI)

Dr. Jorge Wilson – Doutor em Urologia pela UNIFESP/EPM e Coordenador da Residência em Urologia | Hospital Edmundo Vasconcelos – SP

Dra. Pamela Muniz – Oncologista Clínica | Hospital Edmundo Vasconcelos e Oncoclínicas – SP

Dr. Paulo Lazaro – Radio-Oncologista | SP

12:30 – 2:00 – Lunch

2:00 – 2:15 – Imaging Evaluation and Follow-up for metastatic prostate cancer

Dr. Felipe Galiza – Coordenador Médico | UnitedHealth Group – SP

2:15 – 2:30 – State of art of Biomarkers for advanced prostate cancer

Atish D. Choudhury, MD, PhD – Medical oncologist and clinical/translational investigator for Genitourinary Oncology at Dana-Farber Cancer Institute

2:30 – 2:45 – Surgical approaches for metastatic prostate cancer

Dr. Renato Meireles Mariano da Costa Júnior – Cirurgião Urologista | SP

2:45 – 3:00 – Systemic therapies for metastatic hormone sensitive prostate cancer

Dr. Denis Jardim – Oncologista Clínico | Oncoclínicas – SP

3:00 – 3:30 – Panel Discussion – The entire team

3:30 – 4:00 – Case Discussion 3 – Metastatic hormone sensitive prostate cancer

Dra. Ingrid Marriel – Oncologista Clínica | Hospital do Câncer de Barretos – SP e Fellow de Oncologia Geniturinária | Instituto Oncoclínicas – RJ

Discussant

Atish D. Choudhury, MD, PhD – Medical oncologist and clinical/translational investigator for Genitourinary Oncology at Dana-Farber Cancer Institute

Ravi Amrit Madan, MD – Head, Prostate Cancer Clinical Research Section and Genitourinary Malignancies Branch at National Cancer Institute (NCI)

Dr. Denis Jardim – Oncologista Clínico | Oncoclínicas – SP

Dr. Renato Meireles Mariano da Costa Júnior – Cirurgião Urologista | SP

4:00 – 4:30 – How to incorporate theranostics in the sequential treatment of prostate cancer

Ravi Amrit Madan, MD – Head, Prostate Cancer Clinical Research Section and Genitourinary Malignancies Branch at National Cancer Institute (NCI)

4:30 – 4:45 – Clinical use of PARP inhibitors in advanced prostate cancer

Ravi Amrit Madan, MD – Head, Prostate Cancer Clinical Research Section and Genitourinary Malignancies Branch at National Cancer Institute (NCI)

4:45 – 5:00 – Pharmacoeconomic evaluation of current systemic therapies

Dr. Pedro Aguiar – Oncologista Clínico | Oncoclínicas – SP

5:00 – 5:30 – Case Discussion 4 – Metastatic castration resistant prostate cancer

Dr. Rafael Abduch – Oncologista Clínico | Oncoclínicas – SP

Discussant

Atish D. Choudhury, MD, PhD – Medical oncologist and clinical/translational investigator for Genitourinary Oncology at Dana-Farber Cancer Institute

Ravi Amrit Madan, MD – Head, Prostate Cancer Clinical Research Section and Genitourinary Malignancies Branch at National Cancer Institute (NCI)

Dra. Carolina Alves – Oncologista Clínica | Oncoclínicas – BA

5:30 – Closing remarks – Coordinators

Coffee break incluso. O almoço será livre, com opções disponíveis nas proximidades.
